receiving the written requests which would be no later than October 23, 2025.

TTUS has responded to the Requestor that it is seeking an opinion from the Attorney General on those items it claims should be excepted from public disclosure. The response to the Requestor is attached as Exhibit "B."

The legal bases upon which TTUS believes exceptions to public disclosure apply or may apply are as follows:

1. Texas Government Code §§ 552.103, 552.107, and 552.111.

Pursuant to the Texas Public Information Act, a governmental body that requests an Attorney General decision for exceptions to public disclosure must, not later than the 15th business day after the date of receiving the written requests, submit to the Attorney General written comments stating the reasons why the above-stated exceptions apply. As explained above, since the date of receipt of the Requestor's requests was October 9, 2025, the date by which TTUS must submit its detailed comments is October 30, 2025.

Sincerely,
