To the Public Information Officer,

Attached is my TPIA request seeking targeted emails and Teams/Slack messages referencing "Kevin Bass" or "Kevin Norris Bass" (and my email variants) for the date range noted. Please search the custodians and systems described in the attached letter. If any portion is unclear or unduly burdensome, please identify the burden with specificity and propose narrowing consistent with Tex. Gov't Code §§ 552.222 and 552.267.
