To the Public Information Officer,

Under the Texas Public Information Act, please produce communications and artifacts created after my earlier TPIA submissions (Oct 2–3, 2025) concerning:

Kevin Norris Bass (name/email variants)

My Preservation Notice and any right-to-reply correspondence

P3/SPPCC/professionalism materials/decisions

Transcript/Title IV matters

Hearing recordings/transcripts and any integrity/audit handling

Time window: Oct 3, 2025, 12:30 AM CT → time of your receipt of this request.

Sources/custodians: emails and Teams/Slack/IM/SMS of the PIO/OGC, Registrar, Student Life/Student Affairs, IT/ITSolutions, relevant course/program leadership (e.g., MSCI-5120/6120), and any other custodians routed these topics. Include meeting invites/agendas/attendee lists/minutes/notes, in-meeting chats, working files, and message threads.

Please produce in native format where feasible (e.g., .msg/.eml, .pst, .csv/.xlsx for metadata exports, original file types for documents).

If any portion is unclear or unduly burdensome, identify the specific burden and propose a reasonable narrowing consistent with Tex. Gov't Code §§ 552.222 and 552.267.

Respectfully,

Kevin Bass PhD MS
